### The Courtauld Family Programme 2015/16

The Courtauld Family Programme provides a link between The Courtauld Institute of Art and the parents, guardians or other family members (such as grandparents) of current students. The purpose of the programme is to ensure that you feel a part of the Courtauld experience and allows us to update you on our latest news and encourage your involvement in The Courtauld's progress and future. The programme is completely free to join and runs for the duration of the student's time at The Courtauld. It includes the following benefits:

- Two complimentary day-passes for The Courtauld Gallery per household
- Information about upcoming Courtauld exhibitions via our monthly Gallery e-newsletter.
- A complimentary copy of The Courtauld's magazine, *Courtauld News*, mailed to you twice each year.
