London, WC2R 0RN

RSVP by 28 October to sharon.cather@courtauld.ac.uk

Detail of a thangka at the Museo Nazionale d'Arte Orientale 'Giuseppe Tucci' in Rome. The comparison between the visible image, x-radiograph and infrared-reflectography is used to reveal some of the hidden secrets of thangkas. Courtesy: ENEA and Museo Nazionale d'Arte Orientale 'Giuseppe Tucci', Rome
