Searching for Digital dissertations on the Library Catalogue

Select 'Multifield search'

In one field type: dissertation

In the other: the year the dissertation you are looking for was submitted (so 2017 for the academic year 2016/17). Leave blank if you are unsure/wish to browse.

Leave the dropdown search filters as they are ('All words')

It will not automatically load a results screen but will instead display the number of results below your search. To access these, click on the number.
