

Welcome to The Great Portrait Makeover Trail

courtauld.ac.uk/take-part/families

Find these portraits in the gallery or **online**. Think and chat about them and sketch some ideas, then use the **at home activity sheet** to complete your own Great Portrait Makeover.

When you find each character you could discuss:

- Who do you think they are?
- What kind of person are they?
- Do you think you would like them?
- Would they fit in with your family?
- What are they thinking?
- How would you alter the image?

What am I reading about?

What could I wear around my neck?

You can add it to me if you want.
